

Serial No. 10/696,568

Attorney Docket No. 03-038

SPECIFICATION:

On page 5, please replace the paragraph beginning "Referring to FIGS. 1 and 2," with the following amended specification:

Referring to FIGS. 1 and 2, a meter unit 1 includes an upper housing 21, a lower housing 22, a clear housing 23, a display 3, a meter circuit board 4, and a keyless entry receiver 5. The upper ~~housing~~ housing 21 and the lower ~~housing~~ housing 22 are fitted in an instrument panel of a vehicle. The display 3 is housed by the upper housing 21 and covered with the clear housing 23. The display 3 including meters 3A, 3B, 3C, and 3D arranged on a display plate 31 provides driving information to a driver. The meter circuit board 4 and the receiver 5 are arranged at the rear of the display plate 31. A meter circuit board 51 of the receiver 5 is connected to a corner of the meter circuit board 4.
